## PAVING CONTRACT IS SIGNED BY THE MAYOR

**BROWN & ROOT AWARDED WORK  
OF PAVING CAMERON  
STREETS THIS YEAR**

Contract for paving with a double treatment of bituminous surfacing of more than 100 blocks in the city of Cameron has been signed.

Mayor Davis at the instance of the council signed the contract on Monday night and the construction work is to begin soon.

A unit contract has been let and as soon as the engineer can prepare the estimates advertising will start. It is thought that the work will be completed sometime within the next six months.

About 90 working days are allowed the contractors for completing the work.

## Vic Miller Loses To Dad Karhunaari In Final Bout Here

Vic Miller had his chance at a come back with Henry Karhunaari Tuesday night April 3 but could not handle the Finn. Miller lost two falls by a toe hold and won the second with the same hold. It was a battle of toe holds.

Miller has been asking for a return here and the Legion gave the match as a final program for the wrestling season. The wrestling program has been discontinued for the present and probably will not be engaged in for some months or until the fall season opens again.

The fighting program of the Legion Athletic Club is now under way and the first program will be given on next Tuesday night.

## CITY BACKS GOVERNOR IN CLEANING UP WEEK

**DR. A. S. EPPERSON ASKS FOR  
CITY WIDE CO-OPERATION  
IN CLEAN UP PROGRAM**

Dr. A. S. Epperson, city health officer, is asking for city wide co-operation in the clean up week beginning Sunday April 1, 1928 in accordance with the proclamation of the Governor.

Governor Moody sets out in his formal proclamation that "the happiness and prosperity of the people depend largely upon the public health."

Dr Epperson desires to begin early this year in the campaign for the more clean and healthy city.

The street department will place at the disposal of the people of Cameron the motor trucks of the city to haul away the trash, all the requirements being that the trash and all refuse be placed in containers so that the street men can conveniently transport them.

"It is important that we begin early in removing all trash and filth about the city. Summer will soon be here and we need to take every necessary precaution to avoid diseases and to improve the public health," said Dr. Epperson in calling for the clean up campaign in accordance with the proclamation of the governor.

The governor is acting on the request of the state board of health. The clean up will be state wide.

Elsewhere in this issue will be found an announcement by the city.

## Negro Preacher Is Sought For Shooting Wife Here Tuesday

John Williams, negro preacher, is being sought by the sheriff's department here in connection with the shooting at 7:30 Tuesday night of his wife.

A shot gun was taken from a Cameron home and after the shooting was returned. Williams then fled. His wife was shot through the hand and is said to be on the road to recovery.

The trouble arose when a quarrel that led to a separation started, it is said. Williams is well known here having been employed by business concerns at various times.

Mesdames Tom Denson and J. C. Martin attended a very delightful luncheon last Wednesday at ten o'clock at the home of Mrs. Goodhue Barclay in Waco.

## LEGION ATHLETIC CLUB PRESENTS BOXING PROGRAM APRIL 3RD

## Gas Franchise Granted Community Natural Co.

## NEW HOTEL FOR CAMERON IS SOUGHT IS BY COMMERCIAL CLUB

## BOBBY JACKSON WILL MEET KID MOCO HERE

**THREE PRELIMINARIES AND 24  
ROUNDS OF FIGHTING  
ASSURED**

Bobby Jackson the middleweight champion of Fort Sam Houston and known over a wide area of the south as one of the comers in the professional division will meet Kid Moco the Waco flash in a ten round fight as the main event of the Legion Athletic club show here next Tuesday night, April 3.

The match was completed last Saturday and advertising matter has been distributed covering the boxing show in the season.

Three preliminaries have been announced as follows:

No. 1 Jimmy Ads, 135-lbs. vs. Lud Matula for four rounds.

No. 2 Vaughn Jennes 157-lbs. vs. Billy Broze 154-lbs. for four rounds.

No. 3 Doyle Rice 134-lbs. vs. Joe Gurecky 135-lbs. six rounds semi-final.

**Jackson Is Good**

Bobby Jackson in a recent elimination tournament at Fort Sam Houston has been declared the champion. Jackson has been fighting for a number of years. He gave away weight to win the middleweight championship there. He weighs 149 pounds. He has an impressive ring career, having met and defeated some of the best boys known in his division. He has been fighting in the border towns and meeting all comers. Jackson is said to be a masted boxer as well as a deadly hitter, more often knocking out his opponents than winning by decisions. Press clippings sent to The Herald give an interesting detail of this young fighter who is now in the army and attached to the Second Signal Corps Company at Fort Sam Houston.

**Moco Impressive**

Cameron sport fans will recall that Kid Moco took part in the big boxing shows held at Katy Park in Waco last year and is one of the coming young fighters of the day. He weighs 167 pounds. He has defeated Dottie Stallard and an impressive string of other fighters in his career. Moco sends a letter to the sporting editor stating that he is working hard and will be in the pink of condition. He realizes he has a hard fight if he wins from the hard hitting soldier. He does not underestimate Jackson. The San Antonio fighter may be in Cameron Friday to get acclimated while the Waco man will in all probability drive down Tuesday for the bout at night.

Moco has the fighting heart. He recently lost a decision to Kid Dula the Brownwood flash, although giving away 20 pounds. He beat Stallard who had already stopped Sargeant Jack Doss in the third round of an eight round match. Moco has been awarded the welterweight championship of Waco.

An interesting fight for Cameron would be a return between Stallard who resides at Wichita Falls and Kid Moco. This may be arranged for the next card. Fight fans are invited to look over the interesting scrap book of the Waco fighter.

**Jackson Beat Kelly**

When Bobby Jackson knocked out Jimmy Kelley the 162 pound South Boston middleweight in Mercedes on January 30 of this year, he gave the valley fans a big surprise. Bobby is now the rage in the valley country and all along the Mexican border where he has been knocking them for a row of pins and giving away weight. Here is an interesting article from the sporting page of Mr. Sherwitz of the San Antonio Light regarding a recent fight in which Jackson won:

Bobby Jackson, the bounding Fort Sam Houston middleweight, made Red Foster look like a cinch of the purest ray serene in their six-rounder. Bobby has licked Foster before, but never quite so decisively. He out boxed the red-head for the first four rounds and then beat him half to death in the last two. Only twice during the entire melee did Foster connect solidly with his elusive opponent and then

## Should Prohibition Be The Issue?

**A MONOPOLY IN CORRUPTION**

Senator Robinson, republican, of Indiana, has done the democratic party a valuable service in attempting to drag the name of Governor Al Smith into the oil scandal.

Senator Nye has helped out with his indefinite and unfounded assertions that some of the corruption money has gone to the democrats.

The quick boomerang of the Smith charge, and the unanswered denials of the Nye assertions, have drawn national attention to the fact that not one democrat, anywhere, has had a hand in any of the corruptions which have shamed the nation in the last eight years.

But that is not all. As the days go by, the attention of the country will be called to the fact that every particle of corruption in the national government since the civil war has been within the ranks of the republican party.

Let us pass over the frauds of civil war days. They were many and repulsive, but for the sake of the great Lincoln, a true democrat, who found his high motives shamed by grafters in all branches of the service, let us draw the veil.

Let us pass over, too, the abominable corruptions under the Johnson administration in the so-called federal government of the South.

Let us turn first to the Grant administration. There we find widespread buying and selling of federal patronage. For the first time political "bosses" came into power. Then came the "whiskey frauds" in which high officials of the government were involved. The secretary of war was impeached for corruption, resigned and committed suicide. The president, of course, was exonerated of moral blame, but no American today can but regret that Grant ever served as president.

The nation turned to the democrats. Despite the known adherence of the Southern "rebels" to their party, it was given the popular mandate in 1876, with Samuel J. Tilden as its great leader. But a republican congress committed the greatest fraud in the history of American politics and seated Rutherford B. Hayes as president of the nation. The nation was heard from again two years later when it turned both houses of congress to the democrats.

In 1880 Garfield was elected by a bare plurality over Hancock; the party treasury having been supplied, it later was proved, from corrupt sources. Mr. Garfield died at an assassin's hand, and Chester A. Arthur's administration had hardly gotten under way when the "star route" mail contract frauds developed. As a republican historian says, "this is a chapter in our history which every patriotic student would gladly forget."

The "bosses" flourished, the "machines" extended their sway, and as a result in 1882 democratic victories were chalked up in many states. By 1884 the people had had enough, and Grover Cleveland was elected to the presidency on a platform which declared: "The frauds and jobbery which have been brought to light in every department of the government are sufficient to have called for reform within the republican party. . . . The republican party during its legal, its stolen and its bought tenures of power, has steadily decayed in moral character and political capacity."

At the end of Cleveland's administration the democratic platform invited "an exacting scrutiny of the administration of the executive power, which four years ago was committed to its trust." If any republican ever made that scrutiny he failed to announce his findings.

Cleveland's tariff policy was pictured, however, as anti-American, and a violent campaign gave Harrison a victory over him in 1888 by a narrow margin. The republicans promised a tariff reduction, but on protective principals. They kept their promise by increasing the tariff. Thomas B. Reed was made "czar" of the lower house by a strict party vote. The people retaliated by putting a democratic congress in power in the "landslide year" of 1890. They made it more emphatic two years later by returning Cleveland to the presidency.

The money question arose to disrupt party lines. Mark Hanna arose as the sapper "boss" of the republican party. He it was who popularized the slogan: "If you want anything in politics, go out and buy it." He bought popularity for William McKinley by three years of national propaganda, a thing then new to the country.

McKinley barely defeated Bryan in 1896, with the aid of the combined money power of the nation, and to the accompaniment of many charges of fraud and corruption. The Spanish war came, and fraud stalked land again as it had in the days of the civil war. Bad beef, bad ammunition, graft in the high places—another point where we must charitably draw the veil.

Roosevelt, the dauntless reformer, came to the presidency to win fame as the rescuer of the national resources from the grip of corrupt interests—in his own party.

William Howard Taft, a good man, followed Roosevelt in 1908, but his "old guard" aids brought such disrepute on his administration that he could carry but two states in 1912.

Woodrow Wilson was elected. During his first term the greatest social and economic progress in the history of the nation was recorded. During his second term he led the nation through the greatest war of all time. Millions were spent in every department of the government. Billions were spent in ways never before necessitated for the government. Billions were doubled and quadrupled. No president, no executive in all history, perhaps, was ever given such an administrative task as Wilson had thrust upon him in 1917.

And after it was all over the republicans raked the record for flaws. One of their investigators was that noble gentleman, Mr. Fall of New Mexico, and despite the deep animosity of some of the investigators, not one charge of corruption could be made.

Then came to the presidency Warren G. Harding, supported by as motley a group as ever followed the fortunes of any candidate. Then was staged as fantastic an orgy of corruption as ever disgraced any nation. Forbes, Daugherty, Fall, Sinclair, Doheny, "the little black satchel," "the little green house on K Street"—it is all history now and as soon as proper recompense can be made, here, too, will the patriotic student "gladly forget."

But we can't forget just yet, because the story leads into the present. There are men now in office elected with funds which came from corruption. There are men sitting in our high places who must have known of the corruption, and who sat silent for four years, obstructing rather than aiding the efforts to bring the betrayers of the government to light. There are men in this very group now aspiring to the presidency of the nation.

We know much yet remains to be told. Doubtless it will be told in the next few months; but if never another fraud were fastened on to the republican party, we know enough, a thousand times enough, to make it ridiculous for any republican to try to smear the democratic party with the same slime that covers his own party.—Houston Chronicle.

Jackson was too foxy to let on. Foster realized two or three ribs out of the affair. This was first set-back in his last half-dozen bouts.

Judge Kemp and Judge Watson attended the funeral of Mr. Boyd Taylor, an old Confederate soldier, Monday at Milano.

## FRANCHISE IS FINALLY GRANTED TO COMPANY

**25 YEAR LEASE OF STREET  
GIVEN BY COUNCIL—VOTE  
IS DIVIDED**

The Community Natural Gas Company has been given a 25 year franchise on the streets and alleys of Cameron for a consideration of \$25 per year.

The council by a vote of three to two Monday night gave the gas company the franchise. The matter had been under advisement of the council for the past week and alterations that would have benefited the people were urged by the council but no concessions could be obtained from the gas company.

Commercial club members and the committee urged the passage of the franchise regardless of the clauses asked for by the council and the matter was passed. Aldermen White and McDermott voting against granting the franchise without change and Aldermen Brod, Brown and Green voting for the franchise without change.

Checking up the applications on Tuesday developed that a few subscribers are lacking but this matter will be arranged in a few days. The gas company hopes to begin construction on the lines within the city in a few days.

## FAIRBANKS IS MASTER CEREMONIES TONIGHT

**NEW DODGE STANDARD SIX TO  
BE PRESENTED IN RADIO  
HOOK UP**

The Sapp Motor Company invites your attention to the giant hook up Thursday night March 29 introducing the New Standard Dodge Six Var. Douglas Fairbanks will be master of ceremonies.

After over two years of intensive development work, Dodge Brothers, Inc., today officially announces the Standard Six line of passenger cars, priced from \$875 to \$970 and superior in speed and acceleration to any cars selling at \$1000 or less. In these new cars, it is claimed, exceptional riding comfort, economical performance and ability to travel at sustained high speeds have been combined with the sturdiness and dependability for which Dodge Brothers Motor Cars have always been so well known.

The new cars will be displayed in the showroom of the Sapp Motor Co., local Dodge Brothers dealer at Cameron. The factory is now building the Standard Six in four body types, the coupe, sedan, deluxe sedan and cabriolet, finished in a number of different attractive color combinations. Production of the new sixes is now 1,000 per day and Dodge Brothers schedules call for total output of all types exceeding 1650 per day, the largest production schedule in Dodge Brothers history.

The sweeping graceful lines of the Standard Six gives the impression of cars selling at much higher prices. Although the overall height is low adequate headroom is provided. High seat backs and wide cushions, both tilted at the correct angle, insure the comfort of the passengers.

## Cheeves Well Pleased With Sale for Easter

Cheeves Brothers last week announced a sale for pre-easter and printed an advertisement in The Herald and sent out circulars.

The firm is well pleased with the results of the sale, reporting brisk business ever since the announcement.

Miss Eloise Rogers came home Monday from Waco and is very ill at the home of her parents, Mr. and Mrs. Wm. Rogers.

## FORM COMMITTEE TO BUILD NEW HOTEL

**COMMERCIAL CLUB WILL SEEK  
\$20,000 BONUS FOR BUILD-  
ERS HERE**

A new hotel building for Cameron is the goal of the Commercial Club in the appointment of a committee to solicit the people of Cameron for \$20,000 to be given as a bonus to the builders of the hotel.

T. E. Smith of the Texas Hotel Supply Company, was in Cameron Monday to meet with the Commercial Club and to go over the plans he has for the hotel.

A committee has been named as follows: C. W. Lawrence, chairman; F. S. Lesovsky, secretary; George T. Graves, treasurer; F. E. Jackson and W. W. Chambers.

The committee held a meeting Wednesday night to make out a quota. Names of Cameron business men have been listed and the amount set opposite their names as a suggested donation. If the quota is to be raised the method adopted will bring sufficient money.

The Commercial Club has been active in the matter of promoting hotel plans here and this effort has developed further than any previous attempt.

## CLAXTON MUST SERVE FOR KILLING JUNEK

**MANDATE RECEIVED BY DIS-  
TRICT CLERK IN MURDER  
CASE HERE**

Abe Claxton must serve 99 years for the murder of Otto Juneke. The district clerk has received the mandate in the case of the State vs. J. A. Claxton charged by indictment with the killing of Otto Juneke near North Elm school, July 23, 1924. The defendant was given 99 years in the penitentiary and the case was affirmed on appeal to the Court of Criminal Appeals and motion for rehearing denied.

The defendant is also under indictment for the killing of J. M. McAlpine at the same time and with assault to murder Mrs. J. M. McAlpine, who was shot through the body on the same occasion.

The case growing out of the killing of Juneke and McAlpine were tried shortly after the homicides, and defendant received life sentence and 25 years, respectively, but on appeal they were reversed. The higher court first reversed the Juneke case, on re-hearing affirmed it, and on another re-hearing reversed it. Judge Lattimore dissented in the case, holding that there was no murder, merely manslaughter and the court suggested in the opinions that it would like for the question of murder and manslaughter to be again submitted to a jury. In the third trial the jury again found defendant guilty of murder and this ends the case as to the death of Otto Juneke.

It is probable there will be no contested trial in the other cases, but they will probably be disposed of before the defendant is sent to the penitentiary. The defendant has not been at liberty since the homicide. Able attorneys represented the State and defendant.

## 1800 Dozen Eggs In One Day Record of Grocery Company

Last Saturday the Felix Matula & Company grocery store in Cameron purchased eighteen hundred dozen eggs or a total of 21,600 eggs.

This is the largest purchase coming to the attention of The Herald. The produce industry is growing rapidly and is now one of the major revenue producing sources known to the farm-

## FAMILY REUNIONS

Family ties are said not to be as close as they used to be, and yet many families are having reunions where a large number of near and distant relatives are gathered together. Interest in genealogical research is said to be increasing, and many people are anxious to find out who their ancestors were and where they came from, and the desire to know the members of one's family tribe will never disappear.

An obstacle in the way of such associations is created by the scattering of families all over the country. Where a family used to settle down in its home town or near by, the present generation is likely to scatter all over the land, and some may go to foreign nations. Yet as people travel more easily than formerly, many may come from distant points when the tribe holds its powwow.

It may be said that the tie that holds these distant relatives together is not close, since the people who assemble in an annual family gathering may never meet elsewhere, and may not feel any particular congeniality of temperament. And yet anything rooted so deeply in old traditions as the ties of family relationship, must still be much of a power.

Back in old history people looked to their families for protection. Tribe fought against tribe, and if you were attacked and your safety assailed, your government might not be able to do anything for you, but your kinsmen would rally and beat off the tribe that menaced you.

Those old times of tribal warfare are happily gone forever. But the members of a family tribe now can reflect that they no doubt share certain traits handed down from common ancestors. Hence they should have ideas in common, and when they get together they should have important elements of congeniality that run deep in their natures.

## SELF VALUATION

Without ostentation man should value himself more highly than is his wont. It is one of man's faults that he undervalues himself, lacks confidence in his ability and admits to himself that he "can't." It is possible to know thyself and for man to achieve something worthwhile in this world he must believe in himself for his full worth.

"Swell-headedness" is applied to persons who affect qualities unpossessed. One can be self-confident without being complacent and presuming. Man may know himself without letting others know he knows himself, that in truth, is the secret of success among men.

The higher a man's valuation of himself, the more his compassion and charity for his fellow-men. There is no condescension in his manner because realizing

a value in himself he unconsciously seeks out values in others.

One cannot expect the world to count him as of intrinsic worth if he himself does not recognize that worth. The valuation which we put upon ourselves cannot be concealed from the world. It becomes so much a part of our thought structure and our very personality that it plainly manifests itself in our words and acts. Unostentatious self-confidence is natural expression of personal evaluation. Vain natural expression of personal boasting is a cloak to conceal natural weakness and failings. He who brags is painfully aware of his shortcomings; otherwise he would be conscious of nothing to boast about.

Self-confidence is the recognition of shortcomings overcome. Boasting is the recognition of shortcomings to be overcome.

## DAILY MAIL'S BIG "SCOOP"

Gifted with the Jules Verne type of foresight, the news staff of the London Daily Mail has shown a very clever flash of editorial workmanship in its twenty-four page edition, dated January 1, 2000, which imaginatively depicts news occurrences as they will be three-quarters of a century hence.

Application of "memory impressors" to store brain cells of students while sleeping; fire fighting from the skies by use of airplanes; murders by "suggestion" and by "concealed beam" rifles, and simultaneous "television" bulletin board service of athletic events 12,000 miles away, are some of the conceptions of the reportorial seers as to what will figure most prominently in the functions of the news-gathering agencies of the not-so-very-remote period described.

With the strides science has taken since seventy-five years ago, when Jules Verne was a cub reporter, none of these visionary forecasts is beyond the realm of possibility. Some of them would be a bane to human existence, it is true, but others a boon to humanity.

One impressive paragraph from these prophetic flights of imagination ventures that "readers of the London Daily Mail in the year 2000 will be offered a special service in connection with their televisions which will be modified to transmit seaside scenes, sounds and ozone."

This thought especially suggests that we must hand it to the British journalists who have shown the American brand of newspaper enterprise in scooping the press of the world by three-quarters of a century.

One-half the world can't see why the other half lives.

There are many gasoline saving devices on the market. A pair of comfortable shoes is the best.

About all a rolling stone gathers is momentum.

Raising a family costs almost as much as it is worth.

It's a great life if you don't believe in everything you see, hear, think or know.

Watch for the "Ghost Bird." It's coming soon.

## City News Briefs

J. H. Senkel, mechanic at the Schiller Motor Company was painfully injured Monday when a screw driver slipped from the machine on which he was working and struck him in the left eye. He is reported doing nicely.

The Baylor Choral Club program under the direction of the Yoe High School Dramatic Club was enjoyed by many here on last Friday night.

Garden seeds, field seeds, flower seeds and flower pots,  
C. N. Green & Bros.

Fire damaged the home of J. Nabours Sunday morning to the extent of about \$900. The fire originated from an oil stove and quickly spread to the roof. Quick work by firemen and neighbors saved the home.

The Eastern Star held a meeting Tuesday night with exemplification of the secret work. Visitors were invited.

Carload White Mountain Refrigerators, ice free, 250-lbs. to 1000-lbs. free with each refrigerator or ice box, see us,  
C. N. Green & Bros.

The sheriff's office has been quite active this week in clearing up a number of burglaries.

Mrs. Ruth Beard and daughter, Mrs. Wilder of Conoley were shopping in Cameron Monday.

Nat Wofford of Port Arthur spent Sunday with his mother, Mrs. Hallie Wofford.

Carload White Mountain refrigerators unloaded, get the free ice,  
C. N. Green & Bros.

Miss Blanche Hensley spent the week end with her parents at Anderson.

Mr. and Mrs. W. O. Newton, Messrs. W. G. Gillis, W. A. Bonds and Max Collins attended the funeral of Mr. Boyd Taylor in Milano Monday.

## New Fords Arrive

Hubert Hefley Motor Company have received their first shipment of new Ford cars, one of them a Ford sedan going to John C. Young of the Texas Power and Light Company.

Mr. Hefley has been waiting for nearly twelve months for these cars and hopes to be able to deliver them in larger quantities within the next few weeks.

Miss Phyllis Henry of the Junior College at Hillboro was in Cameron this week to visit with her father, Fred Henry.

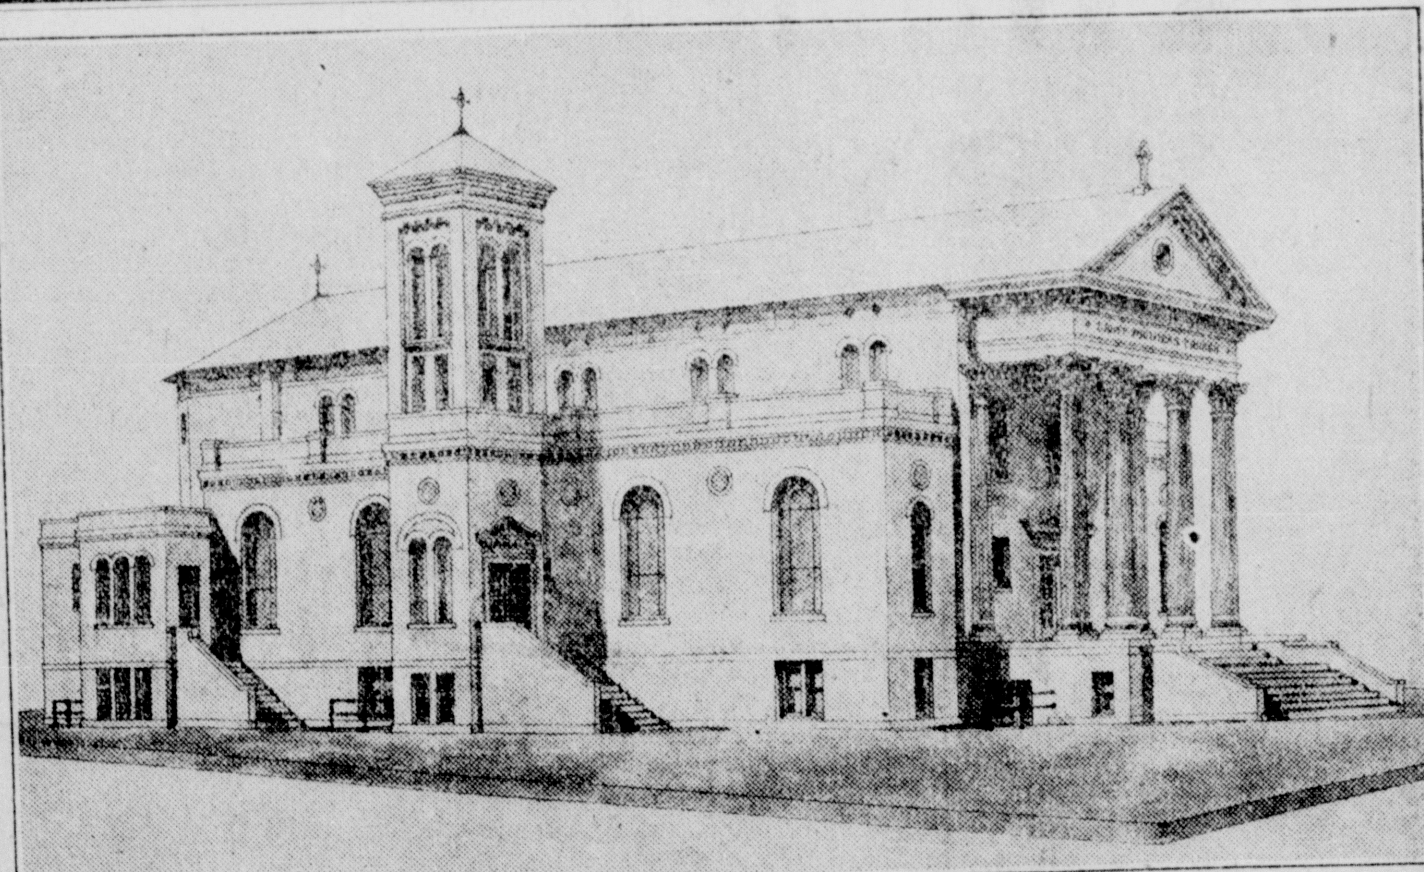

## Ye Easter Bonnet

Another big shipment of Millinery. We have just received from a leading millinery manufacturer of New York a large shipment of Ladies Hats in the most fashionable styles and colors. They are made to sell up to five dollars but we are fortunate in being able to offer them in three special groups—

**\$2.45    \$2.95    \$3.25**

*Lyon-Dry-Goods Co.*

Illumination Night at the Catholic church Sunday night was a big success. The program was arranged for the entertainment of those who had been invited to attend the church with the congregation to witness the illumination.

The church shown above is one of the finest buildings ever erected in this section of Texas and brings to Cameron a distinct and new phase of architecture.

The church was filled to overflowing with people when the hour of the program arrived.

The following program was rendered:

1. Ring the Bells of Heaven March, Pioneer Band.
2. Our City, Hon. W. W. Chambers
3. Sweet Blessing Pour, sacred, Brass Quartette.
4. Why Do We Build Churches, Hon. Allen McDonald of Waco.
5. How Pure And White, sacred, Reed Quartette.
6. The Nation's Consecration, sacred, Children of Parish.
7. Remarks by pastor, Rev. Geo. Apel.
8. Sacred March, Pioneer Band.

The address of Mr. Chambers was well received. He recited the growth

and development of the city of Cameron and praised the Catholic church for its progressive spirit.

Rev. Father Apel in a short address gave a warm welcome to the people of Cameron of all faiths who had gathered to extend congratulations to the parish for its great work in erecting this church. Father Apel is one of the best loved Cameron citizens.

The address of Allen McDonald was a tribute to the religious faiths of the people in building churches, reciting the progress of mankind through the years.

The new church will be occupied for

regular services on April 8. The church inside is very beautiful, the art treasures saved from the fire of the old building having been retouched by artists.

George Banzhaf, county agent, announces that J. F. Roseborough, horticulturist of the Extension Department of A. & M. College will be in Cameron Friday March 30 to conduct a demonstration on pecan trees in the yard of the Lankford Hotel.

The demonstration will start at one p. m. and all who are interested in pecan culture are invited to attend.

## SPECIAL

## Held For Robbery

Edd Waits and Clifton Wiese were arrested on suspicion of theft of a Louisiana car by the sheriff's department yesterday. According to confession received from one of the men they burglarized two garages at Lott, Texas, Friday night, March 23rd, one garage in Williamson county on the night of March 16th and stole four casings, a generator and battery at Lota, Texas, Wednesday night, March 21st. A number of casings were recovered.

L. J. AKERS, PIONEER 68, DIES AT LUBBOCK

FATHER OF CAMERON MEN BURIED THERE MONDAY AFTERNOON BY MASONS

L. J. Akers, 68, of Lubbock, father of H. M. and C. E. Akers of Cameron and a pioneer West Texas cattleman, died at the family residence at Lubbock Sunday afternoon at 3:45 o'clock.

Mr. Akers had been in declining health for some time and while his condition was known to be critical his death came as a severe shock to his sons here and to the family. The sons here left immediately for Lubbock where they attended the funeral Monday.

L. J. Akers was a native of Texas but moved to Oklahoma when a boy of 15 years with his parents. There he grew to manhood and saw the development of that state. He was a member of the constitutional convention of Oklahoma and was chairman of the committee on public education to frame that portion of the constitution.

ion. In late years he left Oklahoma on account of ill health and for 18 years has been in the west, living in Clovis, New Mexico and other places, engaging in the cattle business.

He had lived at Lubbock for about six years prior to his death.

Funeral services for the pioneer statesman and cattleman, were held Sunday afternoon with the Masonic lodge at Lubbock having charge of the funeral.

In addition to the two sons in Cameron the deceased is survived by one daughter and five other sons, and the widow, Mrs. L. J. Akers.

The sons in Cameron own and operate the Coca Cola Bottling Company here. They are active citizens and both saw service in the world war.

The many friends of C. E. and H. M. Akers in Cameron extend their sympathy.

MRS. J. P. MCCLENDON BURIED AT BEN ARNOLD

WELL KNOWN AND BELOVED MILAM COUNTY WOMAN DIES IN DALLAS

Mrs. Rebecca McClendon, 67, mother of Mrs. Edwin York of Cameron and beloved by all who have known her for many years as a resident of Ben Arnold, died in Dallas Wednesday night, March 28, 1928.

The body of Mrs. McClendon was brought here Wednesday morning from the home of Mrs. C. W. Strauss in Dallas where she died, having gone there some days ago to visit. The body was taken to the home of Mr. and Mrs. Edwin York early Thursday morning where it lay until the funeral hour at two p. m. Thursday March 29.

Mrs. McClendon was a native of Alabama, coming to Texas in an early day. She was the wife of J. P. McClendon pioneer and well known citizen of the Ben Arnold community. The husband died three years ago and on Thursday the body of the widow was laid to rest in the Ben Arnold cemetery where the body of the husband lies. Rev. Smith of Rockdale conducted the services. To them were born two children, one daughter, Mrs. Edwin York of Cameron and one son who reached manhood before his death

some years ago.

Mr. and Mrs. McClendon were active in civic and church work in Ben Arnold for a number of years, the husband being superintendent of the Sunday School.

Many friends and acquaintances gathered at the York home Thursday morning to pay their respects and the funeral procession was a large representation of friends and neighbors who had known and loved Mrs. McClendon for many years.

The funeral arrangements were under the direction of Green Brothers and the pall bearers were Ben Arnold and neighbors for many years.

The Herald extends sympathy to the bereaved relatives.

LOST—Red Cross service pin between Moore's and Edwin York's home. Notify Herald or Miss Mollie Moore.

Wednesday Bridge Club

Mrs. A. J. Triggs was hostess to the Wednesday Bridge Club at her home on last Wednesday. For floral adornments wisteria, Texas bluebonnets and pink roses graced the rooms of the home. No prizes or table favors are given at this club. At the close of the afternoon the hostess served angel food squares with white embossing and a green ice. Guests other than club members were Mesdames S. Kestenbaum, J. L. Clinton, Trent Newton and Giles Avriett.

Commercial Club

At the commercial club meeting last night a report from the Good Roads committee was heard to the effect that \$500 had been raised by the business men of Cameron to help in the improvement of a road leading in from the Duncan community to Cameron. The residents of the Duncan community are also helping in the building of the road.

T. C. Smith of the Texas Hotel Supply Co., outlined numerous plans by which towns were obtaining needed hotel buildings and stated that the interests that he represented were ready to build a 75 room hotel in Cameron upon proper co-operation of the Cameron business men.

In a talk to the club made by the president, F. J. Beckerman, the matter of promotion was stressed and tribute

was paid to the men that have been so actively engaged in the promotion of various improvements.

Officers for the club are to be elected Monday night, April 2.

MRS. LOLA HEARRELL

CAMERON, TEXAS

## EX-STUDENTS OF TEXAS TO CONFER ON BUILDING

ARNO NOWOTNY TO BE HERE ON MARCH TWENTY-EIGHTH FOR CONFERENCE

Acting as personal representative of Hon. T. W. Gregory, general chairman of the University of Texas million dollar union project, Arno Nowotny, will be in the city of Cameron on March 29 to confer personally with former students in this community on the project, according to reports from

headquarters in Austin. Among the interested ex-students he will see here is Tom S. Henderson, Jr., who has been active in ex-student affairs.

Mr. Nowotny is assistant dean of student life of the University, and his visit here is part of the state campaign among former students and other friends of the institution to make a success of this project for the betterment of the University and the state. The University Union includes a group of three buildings, which will be the center of student and ex-student life outside of curricular work. It will include a general union building in which headquarters of all student activities will be located, an auditor-

ium, gymnasium, large enough to accommodate the entire student body for the first time, and a women's activities building.

The three buildings will cost approximately \$1,100,000. Of this total the board of regents of the University has agreed to furnish \$600,000, provided the remaining \$500,000 is furnished by students and ex-students. Raising of this \$500,000 by subscription is necessary, it is pointed out, because of the impossibility of financing this group of buildings from any of the regular sources of University income.

The proposal for the three buildings forming the University Union, was advanced by Mr. Gregory and is being carried on by a group of interested ex-students and students, with the cooperation of other friends of the University. The campaign among former students is nearing a successful close, with a generous response being made in all part of the state and the representative of Mr. Gregory expressed the belief that this city will cooperate in making a success of the project.

FOR SALE—One piano, one parrot, and some fresh milk cows. Mrs. Lydia S. Polk, Cameron, Texas, Rt. 1.

## Boy Scouts

Much interest in the Boy Scout Training School is being shown by the large number of men attending the meetings.

The school will close Thursday March 29th and all men interested in boys are invited to attend this meeting at 7:30 o'clock in the basement of the Methodist church.

Report of the last meeting showed the Roosters Patrol leading in number of points by a small margin and the other patrols neck and neck for second place.

## Rockdale Men Purchase Confectionery in City

Messrs. H. G. and C. E. Ashby of Rockdale, have purchased the confectionery operated by Grady Houston in the Hearrell building and are this week making improvements in the building preparing to open for business at once.

These men are to be citizens of Cameron and the people here welcome them to the city and wish for them success and happiness.

## Methodist Church

We had a splendid service in the Intermediate-Senior Department of the Sunday School last Sunday. The pastor will meet with the Young People's classes next Sunday. He will also make a short visit to the Juniors. Every teacher in the Sunday School should exert every power to get a full class attendance next Sunday. Do it folks.

At eleven o'clock the pastor will preach on "Driving the Birds Away." Children and adults will like the sermon.

At seven-thirty the subject is "Beating the Devil." Help do it. The pastor has planned to give everybody a big surprise number Sunday night. Those who know mustn't tell and he won't. Come, see and hear. Those who have promised to invite others will be glad. Invite them. The choir will be on the job too.

Both leagues will meet at 6:30. The Senior ought to be big unless the picnic Friday night makes them sick. They invite the young folks to go with them leaving the church at 6:30 Friday night.

## Missionary Society

The ladies of the Methodist church met at 3:30 o'clock for Bible Study from the "Life and Letters of Paul" led by Mrs. R. H. McIntosh. After the lesson Mrs. Davis, the president presided during a short business session.

## Episcopal Church

During the month of April Sunday services will be held in the morning at eleven o'clock. Sunday, April 1st, is Palm Sunday. Sermon and Holy Communion at 11:00 a. m. Sunday school at 9:45 a. m. Young People's Service League at 1:30 p. m. Lenten services on Tuesday at 10:00 a. m. and Good Friday 7:30 p. m.

## THE BEST STRAIN IN TEXAS

## Revival at Marlow

A revival meeting at Marlow five miles east of Cameron will begin Friday night, March 30. Evangelist N. E. Tyler of the Church of the Nazarene will have charge and C. V. Spell will lead the singing and Rev. G. R. Dozier of Temple will assist. The public is invited. Don't fail to be there Friday night.

## HEAD STUFFED FROM CATARRH OR A COLD

Says Cream Applied in Nostrils Opens Air Passages Right Up.  
 Instant relief—no waiting. Your clogged nostrils open right up; the air passages of your head clear and you can breathe freely. No more hawking, snuffling, blowing, headache, dryness. No struggling for breath at night; your cold or catarrh disappears. Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly. It's just fine. Don't stay stuffed up with a cold or nasty catarrh.

MRS. J. P. MCCLENDON BURIED AT BEN ARNOLD

WELL KNOWN AND BELOVED MILAM COUNTY WOMAN DIES IN DALLAS

Mrs. Rebecca McCleendon, 67, mother of Mrs. Edwin York of Cameron and beloved by all who have known her for many years as a resident of Ben Arnold, died in Dallas Wednesday night, March 28, 1928.

The body of Mrs. McCleendon was brought here Wednesday morning from the home of Mrs. C. W. Strauss in Dallas where she died, having gone there some days ago to visit. The body was taken to the home of Mr. and Mrs. Edwin York early Thursday morning where it lay until the funeral hour at two p. m. Thursday March 29.

Mrs. McCleendon was a native of Alabama, coming to Texas in an early day. She was the wife of J. P. McCleendon pioneer and well known citizen of the Ben Arnold community. The husband died three years ago and on Thursday the body of the widow was laid to rest in the Ben Arnold cemetery where the body of the husband lies. Rev. Smith of Rockdale conducted the services. To them were born two children, one daughter, Mrs. Edwin York of Cameron and one son who reached manhood before his death

some years ago.

Mr. and Mrs. McCleendon were active in civic and church work in Ben Arnold for a number of years, the husband being superintendent of the Sunday School.

Many friends and acquaintances gathered at the York home Thursday morning to pay their respects and the funeral procession was a large representation of friends and neighbors who had known and loved Mrs. McCleendon for many years.

The funeral arrangements were under the direction of Green Brothers and the pall bearers were Ben Arnold neighbors for many years.

The Herald extends sympathy to the bereaved relatives.

LOST—Red Cross service pin between Moore's and Edwin York's home. Notify Herald or Miss Mollie Moore.

Wednesday Bridge Club

Mrs. A. J. Triggs was hostess to the Wednesday Bridge Club at her home on last Wednesday. For floral adornments wisteria, Texas bluebonnets and pink roses graced the rooms of the home. No prizes or table favors are given at this club. At the close of the afternoon the hostess served angel food squares with white embossing and a green ice. Guests other than club members were Mesdames S. Kestenbaum, J. L. Clinton, Trent Newton and Giles Avriett.

Commercial Club

At the commercial club meeting last night a report from the Good Roads committee was heard to the effect that \$500 had been raised by the business men of Cameron to help in the improvement of a road leading in from the Duncan community to Cameron. The residents of the Duncan community are also helping in the building of the road.

T. C. Smith of the Texas Hotel Supply Co., outlined numerous plans by which towns were obtaining needed hotel buildings and stated that the interests that he represented were ready to build a 75 room hotel in Cameron upon proper co-operation of the Cameron business men.

In a talk to the club made by the president, F. J. Beckerman, the matter of promotion was stressed and tribute

was paid to the men that have been so actively engaged in the promotion of various improvements.

Officers for the club are to be elected Monday night, April 2.

MRS. LOLA HEARRELL

CAMERON, TEXAS

### EX-STUDENTS OF TEXAS TO CONFER ON BUILDING

ARNO NOWOTNY TO BE HERE ON MARCH TWENTY-EIGHTH FOR CONFERENCE

Acting as personal representative of Hon. T. W. Gregory, general chairman of the University of Texas million dollar union project, Arno Nowotny, will be in the city of Cameron on March 29 to confer personally with former students in this community on the project, according to reports from

headquarters in Austin. Among the interested ex-students he will see here is Tom S. Henderson, Jr., who has been active in ex-student affairs. Mr. Nowotny is assistant dean of student life of the University, and his visit here is part of the state campaign among former students and other friends of the institution to make a success of this project for the betterment of the University and the state. The University Union includes a group of three buildings, which will be the center of student and ex-student life outside of curricular work. It will include a general union building in which headquarters of all student activities will be located, an auditor-

ium, gymnasium, large enough to accommodate the entire student body for the first time, and a women's activities building. The three buildings will cost approximately \$1,100,000. Of this total the board of regents of the University has agreed to furnish \$600,000, provided the remaining \$500,000 is furnished by students and ex-students. Raising of this \$500,000 by subscription is necessary, it is pointed out, because of the impossibility of financing this group of buildings from any of the regular sources of University income. The proposal for the three buildings forming the University Union, was advanced by Mr. Gregory and is being carried on by a group of interested ex-students and students, with the cooperation of other friends of the University. The campaign among former students is nearing a successful close, with a generous response being made in all part of the state and the representative of Mr. Gregory expressed the belief that this city will cooperate in making a success of the project.

FOR SALE—One piano, one parrot, and some fresh milk cows. Mrs. Lydia S. Polk, Cameron, Texas, Rt. 1.

### Boy Scouts

Much interest in the Boy Scout Training School is being shown by the large number of men attending the meetings.

The school will close Thursday March 29th and all men interested in boys are invited to attend this meeting at 7:30 o'clock in the basement of the Methodist church.

Report of the last meeting showed the Roosters Patrol leading in number of points by a small margin and the other patrols neck and neck for second place.

### Rockdale Men Purchase Confectionery in City

Messrs. H. G. and C. E. Ashby of Rockdale, have purchased the confectionery operated by Grady Houston in the Hearrell building and are this week making improvements in the building preparing to open for business at once.

These men are to be citizens of Cameron and the people here welcome them to the city and wish for them success and happiness.

### Methodist Church

We had a splendid service in the Intermediate-Senior Department of the Sunday School last Sunday. The pastor will meet with the Young People's classes next Sunday. He will also make a short visit to the Juniors. Every teacher in the Sunday School should exert every power to get a full class attendance next Sunday. Do it folks.

At eleven o'clock the pastor will preach on "Driving the Birds Away." Children and adults will like the sermon.

At seven-thirty the subject is "Beating the Devil." Help do it. The pastor has planned to give everybody a big surprise number Sunday night. Those who know mustn't tell and he won't. Come, see and hear. Those who have promised to invite others will be glad. Invite them. The choir will be on the job too.

Both leagues will meet at 6:30. The Senior ought to be big unless the picnic Friday night makes them sick. They invite the young folks to go with them leaving the church at 6:30 Friday night.

### Missionary Society

The ladies of the Methodist church met at 3:30 o'clock for Bible Study from the "Life and Letters of Paul" led by Mrs. R. H. McIntosh. After the lesson Mrs. Davis, the president presided during a short business session.

### Episcopal Church

During the month of April Sunday services will be held in the morning at eleven o'clock. Sunday, April 1st, is Palm Sunday. Sermon and Holy Communion at 11:00 a. m. Sunday school at 9:45 a. m. Young People's Service League at 1:30 p. m. Lenten services on Tuesday at 10:00 a. m. and Good Friday 7:30 p. m.

### THE BEST STRAIN IN TEXAS

I most always have a few surplus chicks at each hatch that I will let out on shares to responsible parties. Not because I say so, but the records prove that you cannot buy as good QUALITY for the same money.

### Revival at Marlow

A revival meeting at Marlow five miles east of Cameron will begin Friday night, March 30. Evangelist N. E. Tyler of the Church of the Nazarene will have charge and C. V. Spell will lead the singing and Rev. G. R. Dozier of Temple will assist. The public is invited. Don't fail to be there Friday night.

**HEAD STUFFED FROM CATARRH OR A COLD**  
Says Cream Applied in Nostrils Opens Air Passages Right Up.

Instant relief—no waiting. Your clogged nostrils open right up; the air passages of your head clear and you can breathe freely. No more hawking, sniffling, blowing, headache, dryness. No struggling for breath at night; your cold or catarrh disappears.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly. It's just fine. Don't stay stuffed-up with a cold or nasty catarrh.

Nervous, Run-Down Young  
Lady Regains Health  
And Strength.

"I was so run-down and 'no account' that I did not feel like working, or doing anything at all," says Miss Flossie Evans, Route No. 1, Liberal, Mo. "My nerves were all unstrung. I was very easily upset."

"After I had taken Cardui for only a short while, I began to feel stronger and my appetite improved and the headaches disappeared."

"I was delighted with the improvement which was so noticeable everybody spoke of it. I looked and felt like a different girl. Now I am perfectly well and glad to recommend Cardui."

Act on this recommendation. Take Cardui. At all drug stores.

**CARDUI****Branchville News**

There was no church Sunday but there was a good crowd at Sunday School. As this was a missionary lesson there was a special collection taken for missions.

The tennis team went to Calvert Wednesday afternoon and played tennis.

Miss Dorothy Foster entertained a few of the young people Friday night.

Mr. Frank Raley, John Wimberly and Durell Mitchell were visitors.

Miss Jewell Raley from Smithville is here with her sister for a few days visit.

There was a literary program at the school house Friday night. The program was unusually good and there was a large crowd out.

Mr. and Mrs. A. J. Smith and son and Mr. and Mrs. L. O. Walker were in Cameron to see Dubinsky Brothers put on "Brother Against Brother" Monday night.

Mr. and Mrs. Fred Smith and Mr. and Mrs. C. E. Porter played bridge with Mr. and Mrs. Foster Friday night.

Misses Mary and Lois Randolph spent Sunday with Mr. and Mrs. C. E. Porter.

Mr. and Mrs. M. R. Looney were in Hearne and Calvert on business Friday.

Mrs. J. B. Porter and Mrs. Jim Harlan of Houston are here on a visit.

Irvin Harlan was here from A. & M. this week end and Mr. and Mrs. Joe Foster carried him back Sunday afternoon.

Mrs. O. F. Robinett went to Dallas for the week end to be with her father who has been quite ill but was improving some when she left Sunday. We are hoping he will soon recover.

Mrs. Mary E. Looney, who spent a few winter months in Marlin and took a course of baths while there is at home feeling well and her friends were glad to welcome her back.

Little Miss Gertrude Walston had a birthday party last Friday afternoon. She was seven years old and there were about twenty little friends there to help make her happy. They enjoyed quite a number of games and then were invited into the dining room and were served cream and cake. During the afternoon peanuts and all day suckers were passed to the children. Gertrude received many pretty and useful presents which gave her much pleasure. The children regretted very much when the time came to bid her goodbye. All wished her many birthdays to come and are looking forward to the next party that she might give.

Lewis Hollingsworth was sick this week with the mumps.

Mrs. James has been here with her daughter, Mrs. W. Henson this week.

**If Kidneys and Bladder Bother**

Take Salts to flush Kidneys and neutralize irritating acids.

Kidney and bladder irritations often result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it may remain to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread; the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it.

Bladder weakness most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is often one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast; continue this for two or three days. This will help neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs, which then act normal again.

Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad

**RENEWED ACTIVITY IS SOUGHT FOR K. OF P**

BETTER ATTENDANCE AT LODGE MEETINGS SOUGHT BY COMMITTEE

Two major activities will feature an extension program adopted by Milam Lodge, Knights of Pythias, at its meeting Monday night, according to Chancellor Commander J. B. White, who announced that increased attendance at lodge meetings and a number of new applications for membership would be the principal objective of the lodge during the early spring. Both of these activities, he explained, were in harmony with a program outlined by Supreme Lodge officers and in which a large number of the six thousand lodges were now engaged. An attendance committee has been appointed to work with the entertainment committee to provide programs of unusual interest each week.

"There has been a general awakening among all fraternal societies in the importance of a better attendance at lodge meetings," said Chancellor Commander White. "Many lodges have divided their membership and instituted contests in attendance and in the number of applications for membership. Our attendance committee is at work on a plan which we believe will appeal to our members and result in a much greater percentage of attendance and bring a large number of new members."

The attendance committee is composed of C. D. McGehee, chairman, Jake Posey and W. L. Wilson.

"All over the country there is a growing demand for a more definite and practical program of fraternal endeavor," said Mr. McGehee, chairman of the attendance committee. "It will be the work of this committee to present broader conceptions of the value of fraternity in civic and social life and to develop greater interest in fraternity through more regular attendance at lodge meetings. The Pythian fraternity has been a great factor in community life. It is composed of men who have gone out into the world and by ministrations touched life with sympathy and practical aid. In recent years, the lodge, like many other fraternal service institutions, has been neglected. It is the purpose of this committee to restore our membership to a greater degree of appreciation of fraternal brotherhood and enlist them in a more practical application of fraternity to community needs of the time."

Fred Henry, keeper of records and seal, announced that all members of the lodge could obtain a free medical examination for themselves and their families by writing to the Insurance Department of the Order located at Indianapolis, Ind. He urged the members to avail themselves of this service as a means of protecting themselves against any lurking disease. This service, he said, will give information which may be invaluable because it will discover hidden malady in time to correct it by consultation with the family physician. He said that a letter addressed to the Insurance Department would bring information covering the extent of this service.

**Mexican Baptists In Thanks to People For Donations**

The Mexican Baptist church of Cameron takes this means to express our gratitude to those who have contributed for the building of the house of worship. All have our heartfelt thanks from the depths of our hearts. We have given the list of those that helped to buy the lot and wish to add the name of J. B. White.

Dr. W. R. Newton, \$100; H. L. Yeager, \$25; O. L. Kidd, \$40; Mrs. Shepard, \$1; Miss Mary Lake Henderson \$1; H. P. Black, \$5; Mexican Baptist church, \$129.90; Mr. and Mrs. John A. Smith \$10; Mrs. W. L. Luthern, \$10; Dr. M. C. Sapp, \$50; M. G. Cox \$100; Mr. and Mrs. J. H. DuBois \$50; Rev. E. S. Hutchinson \$25; J. S. Bragg \$50; Dr. J. L. Denson, \$100; T. A. Carey \$6; Mrs. B. S. Brewer \$5; Mrs. E. A. Filinn \$50; Mrs. J. M. Ralston \$25; F. E. Reid \$100; F. J. Beckerman \$165; J. C. Mayfield \$25.

We have about \$305 in pledges and about \$54 in the bank. We need about \$630 to finish paying the debt. Anyone that is willing and would like to help us out may do so by sending your check to the Mexican Baptist Building Fund, Jose Rodriguez, Treasurer, Box 360. Thanks to one and all, F. A. Hernandez, Pastor.

Mrs. John Hays and two splendid little children, Bobbie and Johnnie May left Wednesday for Kerens where

**History Club**

The Cameron History Club met with Mrs. Atkinson on March 27. An unusual part of the program was the excellent reading by Miss Cornelia Gunn, of two difficult piano selections. Miss Gunn is to give these selections at the Baylor College music contest later in the spring. Mrs. Robbins reviewed a Women's Peace Conference held in Washington City, where organizations both religious and secular were well represented. The underlying thought was the need for an every-day living for peace.

Mrs. A. N. Green gave an interesting account of the work in sculpture of Ruth Conley of Marshall, Texas. Miss Conley's statues are of East Texas clay. The social half hour was much enjoyed.

**Homemakers Class**

The Homemakers Class of the Baptist church met at the annex Tuesday for a business meeting. Mrs. Dan Gunn, president presided. Officers to serve for the next six months were elected as follows: President, Mrs. Roy Law; first vice president, Mrs. Preston Graves; second vice president, Mrs. Harvey Dobbins; third vice president, Mrs. Dan Gunn; reporter, Mrs. Hays; choirster, Mrs. H. P. Black; secretary Mrs. D. Fikes; and treasurer, Mrs. J. Sustek. After the business session a social hour was enjoyed. Groups one and two served a delightful lunch with tea.

# Important Announcement to every owner of a Model T Ford

ON MAY 25, 1927, when Henry Ford first announced his plans for making a new car, he announced also that he would continue to make parts for the Model T Ford. He said:

"The Model T Ford car was a pioneer. It blazed the way for the motor industry and started the movement for good roads everywhere. It broke down the barriers of distance in rural sections, brought people in these sections closer together, and placed education within the reach of everyone. We are still proud of the Model T Ford. If we were not, we would not have continued to make it so long."

For twenty years, the Model T Ford led the automobile industry and it still serves more people than any other automobile. Over one-third of all the automobiles in use today are Model T Fords—an indication of the sturdy worth of the car and its value to people in all walks of life the world over.

The Ford Motor Company will continue to make replacement parts for these cars "until the last Model T is off the road." That is a part of Ford service. That is what Henry Ford meant when he said: "We believe that when a man buys one of our cars we should keep it running for him as long as we can and at the lowest up-keep cost."

Because of this policy a considerable part of the Ford manufacturing plants is given over to the making of parts for the Model T Ford. These replacement parts are made of the same material and in the same way as those from which your car was originally assembled.

Make it a point, therefore, to see the nearest Ford dealer and have him look over your Model T Ford. You may find that a very small expenditure will enable you to get thousands of miles of additional service, and at the same time protect the money you have invested in your car.

## MEXICAN CEMETERY ASSOCIATION FORMED

### SITE PURCHASED BY CITY FOR MEXICAN POPULATION HERE

Following purchase last week of a burial plot by the city of Cameron for the Mexican people of this city, the Mexicans have organized a Cemetery Association at the call of F. A. Hernandez, pastor of the First Baptist church on March 26, 1928.

The officers are: Rafael Cardenas, President; Daniel Garcia, secretary; Estanislado Villanueva, Treasurer.

The association has announced the following rules and regulations.

1. The Mexican Cemetery Society will be composed of men and women. Everyone wishing to become a member may do so by making application and being voted on.

2. Each member shall pay a fee of 25 cents monthly to accumulate a fund for fence, tools and the upkeep of the cemetery.

3. From the members who pay the

25c fee the officers shall be elected and shall serve one year, and may be re-elected.

4. The society shall be composed of a president, secretary and treasurer.

5. The President may direct or appoint someone to care for the cemetery.

6. The officers shall be elected by a majority vote of those who pay dues.

7. Those wishing family lots will be required to pay the amount thereof fixed by the society and said lot will not be disturbed and the amount paid shall go to the general fund.

8. Realizing that the majority of the Mexican people are too poor to pay larger sums for these lots, a charge of from \$2.50 to \$5.00 according to the lot.

9. All the work of cleaning and grubbing shall be done by co-operative work, by inviting all Mexicans who will to participate.

10. It shall be the duty of said society to keep the cemetery as clean as possible and to beautify same with trees and flowers.

11. No one shall bury or dig or open a grave without first obtaining the consent of the President or keeper.

12. All dead may be buried in this cemetery no matter what the religious creed or belief of the deceased may have been.

13. These rules and by laws may be amended at the regular session, the same to be the annual session at which time the election of officers is held.

14. To amend or add to any section or part of these rules and regulations shall be by majority vote of the dues paying members.

### Card of Thanks

We wish to extend our sincere thanks to the Firemen who came to our assistance promptly on last Sunday when fire damaged our home. We also wish to thank our neighbors for their prompt assistance to us. It is a source of great comfort to us to know that our neighbors and friends are so considerate of us in time of distress.

Mrs. and Mrs. J. Nabors.

### Athletic Club

Wednesday night Legion members and others met and organized an American Legion Athletic Club. This club will promote boxing matches in Cameron as the season has been closed for the wrestling cards.

## Saturday April 14th Date Set for Riding of Red Tate Bull

J. W. Gilstrap of Pecos City will attempt to ride the Red Tate bull here on Saturday, April 14.

George Koy, owner of the bull will bring the animal here for the performance. Gilstrap is a noted rider and hails from the rocky country around Pecos City.

An admission charge of 50 cents will be made for the show. The bull remains one of the greatest mysteries of the rodeo world, having defied all riders.

### Specialty Shop Closing

The Specialty Shop owned by Mrs. Lola Hearrell, will be discontinued. A sale advertisement in this issue quotes prices on all merchandise in the store to close out.

This announcement will be of interest to prospective purchasers. Mrs. Hearrell announces that she will retire from business.

Mr. C. A. Sprott who has been doing relief work in Temple is home for a few days with his family.

## FEW FOLKS HAVE GRAY HAIR NOW

Druggist Says Ladies Are Using  
Recipe of Sage Tea and  
Sulphur

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe.

Nowadays we get this famous mixture improved by the addition of other ingredients by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Wyeth's Sage and Sulphur Compound is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance.

## Texas and Texans

By Will H. Mayes

### Flowers Among Editors

Most persons, knowing that Burnet and Marble Falls are only a few miles apart in the same county, would expect a spirit of bitter rivalry between them and that Editor Faubion of the Marble Falls Messenger and Editor Chamberlain of the Burnet Bulletin would be at each others' throats almost constantly. But, not so; they are good friends, as all editors should be, and recently Editor Faubion took a whole column in his paper to tell what a fine fellow Chamberlain is. Among other things he said Editor Chamberlain "is entitled to all the nice things in this life and a greater crown in the life to come," and that "the name Chamberlain stands four-square for the right doing, right thinking and the moral uplift of humanity." In thus singing the praise of his neighbor, Editor Faubion shows he is a big man with none of the petty jealousies so often found in many men engaged in competitive business.

### Stick to Home Enterprises

John E. Cook, of the Rockdale Reporter, uses almost the entire first column of his paper to preach a fine sermon to his townsmen about the way—some of them have been treating Joe Stein, the local baker, "whose bread is as good as the best." He says that Stein has been baking bread in Rockdale for 31 years, that he is a good citizen, has reared a large family that he has clothed and fed in Rockdale, that he has supported every worthy enterprise of the community,

has voted for every bond issue, paid his taxes, given liberally to local charities, and put his earnings all back into the town; and yet Rockdale people are buying truck loads of bread from out of town bakeries every day—bread that is not a bit better than Joe Stein's bread, for Joe bakes good, honest bread.

### Bad Business Policy

Editor Cooke pictures Stein as an almost ideal citizen who puts quality and service into his business, but it seems that a number of Rockdale people had rather help along some other town than to patronize one of their townsmen who has shared their struggles for 31 years. The Rockdale man who buys bread out of Rockdale, when he can get as good bread at as good a price from Joe Stein is not only boycotting Stein, but boycotting his own town, and to that extent helping to tear it down. Rockdale people are not the only folks guilty of doing such things; and the bakers are not the only business concerns that suffer from such practices. There is too much disposition in many places to trade away from home for merchandise of all kinds that can be bought to as good advantage at home. No town can thrive as it should where this is done. It is ruinous to business and holds back a town's growth.

### Court House Records in Church

Gray county recently voted to move the county seat from Lefors, a small village off the railroads, to Pampa a thriving railroad city. Pampa has no courthouse but Pampa citizens have ingenuity to make up for lack of a court building and so the records were moved to the basement of the Baptist church—a kind of necessitous admixture of church and county.

Among the many other news re-

ports showing the growth and development of the thriving Winter Garden town of Carrizo Springs, is the statement that the telephone system is being rebuilt, the work to put it into shape to meet the demands of the place requiring about three months. Public utilities seldom reconstruct their plants until driven to it by necessity, and necessity in this case is growth.

### First Car Mohair

Hondo has reason to be proud of the fact that it has shipped the first carload of mohair ever consigned out of town. It shows that the Medina county mohair industry is increasing and that Hondo is becoming a more important marketing and shipping point. A few years ago there were only a few small, scattered flocks of goats in the county. Now there are many persons who have nice incomes from goats and mohair. One grower this season has sold something over 4,000 pounds of mohair from which he received \$2,350.

### Plainview Poultry Plant

Poultry raisers of Hale, Floyd, Briscoe, Swisher, Motley and Lamb counties are going to erect a plant at Plainview at which eggs will be graded, stored and shipped, provided they can get the farmers of those counties to agree to raise 40,000 hens from which to supply the eggs. This organization will enable poultry and egg producers to get better prices for their poultry products. Local depots will be established in each of the counties to handle and forward supplies to the main plant.

### Pretty Lawn Contest

A Slaton reader of this column, who doesn't state in what paper he reads it, has sent me a clipping about Hearne's yard contest and adds that Slaton is ahead of Hearne, for its Chamber of Commerce will give \$100 in money and shrubs this year in four contests to encourage beautification of home lawns. Slaton is to be congratulated on having a Chamber of Commerce which eyes for the beautiful and citizens who vie with each other in friendly contests to see which can have the prettiest yards.

### Graham Water Reservoir

It is a short sighted policy that allows any town to be satisfied with provisions for a water supply barely sufficient to serve its present population. Graham realizes this and will vote on a bond issue of \$250,000 to construct a reservoir to cover about 400 acres of land and with water capacity of two billion gallons. Graham is also planning to build a \$35,000 memorial auditorium.

### Pecos' New Theater

Theater buildings are a necessary accomplishment of prosperity, for prosperous people want entertainment. Luxurious theater buildings indicate that the average citizens of the place where it is located are accustomed to luxuries. This is preliminary to saying that Pecos is to have a \$75,000 theater building with all modern improvements, and to seat 1000 people. It is not to be built by some over-enthusiastic townsman, either, but by a company that operates a circuit of fourteen West Texas theaters and knows what it is about. This theater will be a fitting accompaniment of Pecos' \$150,000 hotel now under reconstruction.

### Falfurrias Melon Acreage

It is stated that watermelons from some 2000 acres of land in the Falfurrias section will be starting to market about the 20th of May unless there should be some unexpected crop calamity. The vines are now in fine condition and will soon be blooming.

## SAGE TEA TURNS GRAY HAIR DARK

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through

## Women Know The Driving Comforts of Hudson-Essex

One of the distinct gains in automobile 1928 designs, in the opinion of engineering critics, is the remarkable convenience and ease of driving. This is by no means confined to the higher priced cars, according to Horstmann Brothers, Hudson-Essex dealer, but has had in fact its most striking advance in the cars of moderate size and cost.

"You can thank the woman motorist for that, said Mr. Horstmann. "Men are driving in better comfort and with greater ease today because women have insisted on higher standards of detailed finish in the cars."

"Take such an item as an anti-theft lock. To engineers that was simply a mechanical device, to be considered wholly on mechanical merits. But the woman driver called for a lock which could be reached without bending and reaching and which would not soil gloves. The result is a key-lock on the dash—which insurance companies regard as more efficient and which certainly is far more convenient."

"One of the most popular moves which Essex ever made with women was to install the starter on the dash. It is undeniably so much more convenient. We now have cars, too, with the motometer on the dash where it can be seen day or night; with oil and gasoline gauges constantly visible, with an ammeter showing the operation of the electrical system. Thus the motorist can see at a glance how his car is working in every respect."

"Such a detail as the door handles has not been overlooked. These are now of graceful as well as useful design and carry a pattern which runs through other items of the finish. Doors may be locked from the inside by moving the handle forward an inch or so. The window regulators operate with hardly any effort at all, and are designed to match the door handles."

"This is not a complete list, but rather illustrative. Upholstery is like that of a fine chair or davenport; the smaller items are such as would please a woman in her living room. For all these advancements—thank the women."

## Notice To Creditors of Estate

Notice to creditors of the estate of H. F. Albert, deceased, is hereby given that letters of administration upon the estate of H. F. Albert, deceased, late of Milam County, Texas, were granted to me, the undersigned Grover H. Albert, on the 13th day of February 1928 by the County Court of Milam County, Texas; and all persons having claims against said Estate are hereby required to present same to me within the time prescribed by law.

My residence and post office address is Burlington, Milam County, Texas.

Signed this the 23rd day of February A. D. 1928.

Grover H. Albert, Administrator of the Estate of H. F. Albert, deceased. 48-4tc

### STOP THAT ITCHING

Use Blue Star Remedy to relieve Eczema, Itch, Tetter, Ringworm, Poison Oak, Pimples, Dandruff, Sore on Children, Cracked Hands, Sore Blistered Feet, Red Bug bites and all itching skin diseases. It penetrates the skin, kills out the germ, stops the itching at once, and restores most cases to a healthy condition. Blue Star Soap may be used as a cleanser before applying Blue Star Remedy. All Drug Stores.

## Class Entertainment

Mrs. Grady Cooper, teacher of the twelve year old girls of the Baptist Sunday School entertained them with an early morning breakfast at Wayside park last Saturday morning. After a good camp fire breakfast the girls enjoyed games and returned home. Mrs. Jesse Brock and Mrs. Tom Vaughn, Jr., assisted her in entertaining the girls.

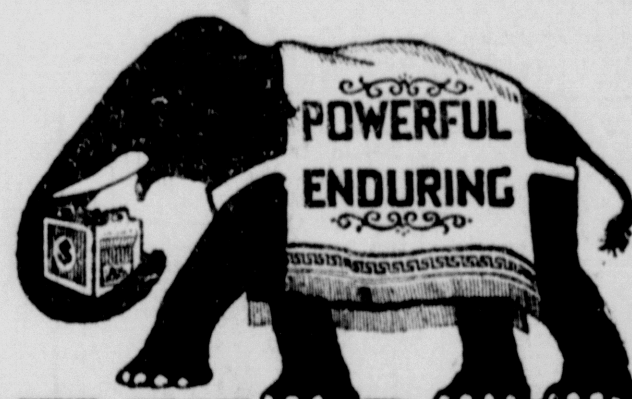

## HEAD STUFFED FROM CATARRH OR A COLD

Says Cream Applied in Nostrils Opens Air Passages Right Up.

Instant relief—no waiting. Your clogged nostrils open right up; the air passages of your head clear and you can breathe freely. No more hawking, sniffling, blowing, headache, dryness. No struggling for breath at night; your cold or catarrh disappears.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly.

It's just fine. Don't stay stuffed up with a cold or nasty catarrh.

DR. W. B. CALDWELL AT THE AGE OF 83

## A Child's Laxative which Mothers Can Rely On

To Dr. W. B. Caldwell, of Monticello, Ill., a practicing physician for 47 years, it seemed cruel that so many constipated infants and children had to be kept "stirred up" and half sick by taking cathartic pills, tablets, salts, calomel and nasty oils.

While he knew that constipation was the cause of nearly all children's little ills, he constantly advised mothers to give only a harmless laxative which would help to establish natural bowel "regularity."

In Dr. Caldwell's Syrup Pepsin mothers have a regulating laxative which they can depend upon whenever a child is constipated, bilious, feverish or sick from a cold, indigestion or sour

stomach. All children love its pleasant taste.

Buy a large 60-cent bottle at any store that sells medicine or write "Syrup Pepsin," Monticello, Illinois, for a FREE SAMPLE BOTTLE and just see for yourself how perfectly it cleanses and regulates the bowels of infants and children.

## Dr. Caldwell's SYRUP PEPSIN

Showing America's Smartest Motor Car Creations

Opening Today—Style Week at Buick showrooms! Everyone who loves the new and beautiful—everyone who plans to buy a new car this Spring—is invited to attend this special showing of those smartest of motor car creations, the fine Buick models.

Here are assembled a wide variety of Buick body-types by Fisher. All are arrayed in alluring new spring-time color harmonies. All are endowed with the most luxurious upholstery and appointments. And all are months ahead of the mode in smart, low, dashing lines, low without any loss of head-room or road-clearance.

Be sure to attend this magnificent Style Show! See the most beautiful motor car creations of the day—and the most durable, dependable and vibrationless of cars as well. Come any day or evening during the next seven days. A cordial welcome awaits you.

## "The Electric Power Industry Belongs to the American People"

says The Portland Oregonian

"By means of public regulation, the people have harnessed these big units and made them serve the public. Even more, the people by hundreds of thousands have bought stocks and bonds of power companies, and have gained comprehension of the working of public regulation and have spread their knowledge. The new attitude of the public toward public utilities is a symptom of the return to sanity and common sense that has followed the outburst of radical frenzy."

Today the mechanical forces of the world are aligned on the side of humanity. Not only have these forces become democratized themselves, through the public ownership of their securities, but they themselves are an accessory of democracy.

Science and skill have replaced politics in the regulation of business.

By making possible shorter hours, better wages, more self-respecting conditions of labor, and less drudgery in the home, electricity is enlarging the participation of the masses in the economic good things of life. Everyone does more, has more, enjoys more, hence the ever-increasing demand for electrical service.

Through the far-sighted planning of the electric

power industry, this demand has found an adequate supply of electricity ready at all times. Today America produces more electric power than the rest of the world—and at a steadily decreasing cost to the consumer.

The foundations have been laid for the electrification of the country on a scale so comprehensive that eventually no one need be without the advantages of a full list of electrical benefits.

In following this program, a new and better United States is being created. It is made possible by unhampered adherence to the principle of individual initiative. Only to the degree that this principle is preserved and perpetuated can the public look for the continued extension of its best interests.

### Gause News

Rev. Condell of Waco, held services at the Baptist church Saturday night, Sunday morning and night. He was accompanied by his wife and they were guests in the home of Mrs. J. T. Tidwell.

Mrs. Manning and husband of Dallas visited her sisters, Mrs. Wilson and Mr. Lee Saturday and Sunday.

Mr. James Harlan of Houston is visiting her mother, Mrs. Oala Gause.

Miss Roberta Holden spent the week end with her parents in Franklin and attended the Robinson county Inter-scholastic league meet which was held in Bremond Friday and Saturday.

Mr. and Mrs. Terry Moore have returned from a visit with relatives in Oklahoma.

Mrs. G. R. Varner spent Saturday and Sunday with her sister in Kaufman.

Mrs. Chat Critchfield was in Cameron Monday.

Mr. G. R. Varner was in Gainesville several days last week on business.

### Mrs. Voss Honored

Mrs. Thad Epperson entertained last Thursday afternoon at her home on Thirteenth Street in honor of Mrs. Inez Voss of Llano. Pink and green was the chosen color scheme used in decorations and refreshments. Pink verbenas in bowls and vases graced the rooms. Tallies and score pads were in the chosen colors and also featured Easter motifs. At the conclusion of the evening prizes were awarded as follows. High, a dainty bridge set to Mrs. Penn Wolf; low, decorated table numbers to Miss Blanche Wiley. Guest prize for Mrs. Voss was a necklace and ear screws to match. A dainty salad course featuring the color scheme was served on green trays with pink covers, using the green crystal dishes. Among out of town guests was Mrs. Dan Hanna of Houston.

### Bridge Club

The Bridge Club was cleverly entertained last Friday at the home of Mrs. Tom Henderson, Jr. Spring roses of pink and wisteria of lavender in bowls outlined with greenery gave beauty and fragrance to the home. Four tables of players were bidden. Mrs. Swift and daughter, Mrs. Ox-sheer Smith were partners throughout the afternoon and were awarded two of the prizes at the conclusion of the games. For high prize among club

guest prize Mrs. Swift received dainty bath salts. At the conclusion of the delightful afternoon the hostess served a two course luncheon.

### Baptist W. M. S.

The ladies of the Baptist church met for a lesson in Royal Service in the following homes.

Circle one with Mrs. John Denson with thirteen present. Mrs. Conn Miller was leader. Lunch with a drink was served. Circle two met with Mrs. Dan Gunn with twelve present and one visitor. Mrs. H. P. Black was leader. Circle three met with Mrs. John Ryan with ten present. Mrs. Semi Burns was leader. The hostess served an iced drink. Circle four met with Mrs. T. A. Howell with nine present. Mrs. Cox was leader. The hostess served light refreshments.

## WALKER'S CREEK CHURCH AND COMMUNITY NEWS

ODELL JAMESON, Pastor

### A Sermon In Songs

By simply reading the one-hundredth Psalm, one ought to be convinced that music has a great place in the worship of man to God. The books of the Bible are linked together with songs of praise. Beecher said hymns were the jewels which the church has worn—the pearls, the diamonds, the precious stones. But rather are they not the church's voice, or means of expressing itself in prayer and praise? Francis Lyte wrote, "Abide With Me," when his health had failed, the song being his own personal appeal. So with "Rock of Ages," which was written in a time of storm. There is scarcely any surer means of inspiration. Music pacified the troubled spirit of Saul and later caused him to prophesy when the prophets struck their harps. When the music began at the dedication of the Temple the house was filled with a cloud. When Sankey's voice floated across the Scottish valley one evening it changed the heart of a stubborn infidel whom Moody's sermons had failed to reach. Sacred music breaks down the barriers, encourages fraternity, fellowship and faith, and will help the Christian world to get together, for although men disagree even to the point of anger in theology, they unite again in the songs of Zion. This being true then we ought to have more good singing at Walker's Creek. It being true that songs of praise has such great place in the Bible, we ought to take pride in the songs that we sing as well as we do the other parts of the service.

Last Sunday night we had a "Song Sermon," and the good crowd present expressed the fact that it was a real sermon. We will have another one some of these days.

### Bro. O. J. Cole Preaches

Our Missionary, Rev. O. J. Cole, preached for the pastor at both services Sunday. He always brings us a good message, and we want to thank him for these two he preached Sunday.

Good crowds were present to hear him.

The pastor preached Saturday night but Sunday morning he filled the pulpit at Patrick, a former church he had pastored. A new church had been started here before he resigned, and now since it has been completed, he was to preach the first sermon in it. At four o'clock he preached at Clarkson and that night at Rockdale.

### S. S. Study Course

Beginning Monday night, our missionary is going to begin teaching the Sunday School Manual. 18 members have promised to take the course, and it is hoped that more will be present on the first night. Not a single teacher should miss this opportunity, for it will aid her in her work, and we must have a certain per cent of them with the Normal Course Diploma before we can reach our A-1 Standard.

### Our Revival

The church has asked Rev. Clifford Alexander, a student in Baylor University, and pastor of the Tracy and Friendship churches to hold our summer revival. At the time of this writing it has not been learned whether his services could be obtained or not. Announcements will be made later.

### Get That Banner

Next Sunday will tell whether Walker's Creek B. Y. P. U. gets to keep the banner for good or not. They have had the honor of holding it for the last two months, but that will be no honor compared to getting it for the third and last time. Little River, Ben Arnold and Yarrelton seem to be their greatest opponents, for all have said that they were going 100 per cent strong.

### Visitors, But Who?

The one who writes these notes of our church and community has asked the cooperation of the people in helping to collect the news. Thus far they have not helped, and now since the pastor was away on this Sunday, he cannot tell the names of all the distinguished visitors. Word came, however, that there were many.

The writer is asking again that the people leave their news notes in the little box at the church. They need not sign their names. What we want is news of the community. And then if you are not a subscriber of this paper, and not getting the church and community news, it would be well for you to subscribe.

## Junior Endeavor Party

On last Friday night, Miss Florence Atkinson sponsor for the Junior Endeavor of the Presbyterian church took the members and a group of friends on a trip "around the world." Tickets were sold for the trip and the proceeds were used to buy pictures and other equipment for the Endeavor room in the new church. There were four trains to transport the people and about thirty-nine bought round trip tickets. Leaders for the trains were Misses Lois and Ruby Robbins, Florence Atkinson and Mrs. H. G. Kenney.

The different stations over the world were located in eight different homes and games were enjoyed at all stops. At Mexico Mrs. Atkinson told them of Missionary needs as the Endeavor of Texas supports some missionaries in Mexico. Mrs. F. E. Jackson's home represented Ireland; Mrs. Giles Avriett's, Hiawia; Mrs. Claude McGregor's, America; Mrs. G. Mode, Japan; Mrs. Atkinson, Mexico; Mrs. Lyon's, France and Mrs. John Watson, Holland. Refreshments were served at each home, representing foods and beverages most popular to each country.

## Baptist Church

The month of April is designated "Loyalty Month." Every member of the church, members of the Sunday School, members of the B. Y. P. U. and all officers elected by the church are urged to attend all services for the month. 100 per cent church member is the slogan, 100 per cent in attendance and service.

The various auxiliaries will be graded as follows: Sunday School and B. Y. P. U. according to the six and eight point record respectively. Deacons will be graded on church, prayer meeting and Deacons' meeting attendance. The choir will be graded on attendance at rehearsals and service in the choir on Sundays or at regular services. The W. M. S. will be graded on the attendance at their regular meetings.

Special Sunday: First Sunday 100 per cent attendance at Sunday School and B. Y. P. U.; Second Sunday, Home coming Sunday, 100 per cent attendance of old and new members. By new member is meant those joining in the last five years. Third Sunday, Sunday School and B. Y. P. U. Day, 100 per cent attendance of these organizations. Fourth Sunday, W. M. S. and Deacons' Day.

The attendance at Sunday School last Sunday was 341. We should have at least 400 in Sunday School next Sunday. An attempt is being made by every class to bring up the attendance in each class to the maximum. Find your place in Sunday School next Sunday.

The B. Y. P. U.'s are still going forward. There are now four unions with a total enrollment of 125. One of the unions will probably be divided at once. When this is done we expect more to join the unions.

## Zone Meeting

3:00—Good singing led by H. P. Black.  
3:10—How to reach the A-1 Standard, H. P. Black.  
3:20—Special music from Little River.  
3:25—Looking Ahead, Prof. Patterson.  
3:40—Piano solo by Roy Rowland.  
3:45—On the Mountain Top, Verner Breazeale.  
4:00—Awarding of Banner and Business.

## Christian Aid

The ladies of the Christian church met at the home of Mrs. Jim Wade at three o'clock. A very interesting and instructive missionary lesson was led by Mrs. Ray Burke, assisted by a number of the ladies of the church. The hostess served brick cream and cake featuring the Easter motifs. Mrs. Jeffrys of Austin, mother of Mrs. Martin Killian was a guest for the afternoon.

## Notice To Creditors of Estate

Notice to creditors of the estate of H. F. Albert, deceased, is hereby given that letters of administration upon

H. Albert, on the 18th day of February 1928 by the County Court of Milam County, Texas; and all persons having claims against said Estate are hereby required to present same to me within the time prescribed by law. My residence and post office address is Burlington, Milam County, Texas.

Signed this the 23rd day of February A. D. 1928.

Grover H. Albert, Administrator of the Estate of H. F. Albert, deceased.

# Crucial Times Ahead

History is in the making.

Men have never seen the equal of this dramatic age.

To lose sight of the advancing civilization is to grow old in the service of the nation without becoming a part of it.

History is in the making in Nation, State and County. You will be interested in the development of the campaign this year. Indications are the year will bring forth great political activity.

A subscription to The Herald will give you the news of Milam county and the state.

Many new names have been added this week.

They are flocking to the standard of the fearless newspaper and that is why Herald leads in circulation and in volume of advertising.

**The Cameron Herald**

## Jones Prairie News

By MRS. R. K. FONTAINE

Rev. M. A. Farr preached his regular fourth Sunday at Sneed's Chapel; he also preached at Baittyville in the afternoon.

Miss Josephine Fowler of Houston was a week end guest of Mrs. W. T. Johnson and family.

Miss Ruth Brand is reported ill.

Rev. M. A. Farr, J. P. Fontaine and Mr. and Mrs. Rodney Fontaine and son, Billie were Sunday dinner guests of Dr. and Mrs. W. J. Fontaine.

Mr. and Mrs. Albert Judkins and family of Branchville, Josephine Fowler, Connie Mae and Durwood Hickman were Sunday dinner guests of Mrs. W. T. Johnson and family.

Mr. and Mrs. Preston Johnson of Beeville spent Wednesday and Thursday with Mrs. W. T. Johnson and family.

Branchville boys and girls played Jones Prairie boys and girls in a game of tennis Friday. The Jones Prairie girls won and the Branchville boys lost.

Mr. and Mrs. H. R. Edwards of Milano spent the week end with Mr. and Mrs. John McLerran.

Miss Lola Anderson was a Sunday guest of Mr. and Mrs. Archie McLerran.

Mrs. Jack Pond is visiting her sister in Houston.

We are glad to report that Miss Lola Anderson is able to attend church again.

Pud Jones of Galveston, Mr. and Mrs. John Jones of Houston spent the week end with Mrs. P. H. Jones.

Mr. and Mrs. Sam Hickman and daughter, Jewell spent Sunday with Mr. and Mrs. J. S. Hickman.

Bailey Jones left for Houston Sunday.

We wish to announce the arrival of a baby boy born to Rev. and Mrs. Virgil Lemons, Monday at the Baptist Sanitarium at Waco. Rev. Lemons is pastor at Little River church.

Carl Black was on the sick list last week.

Mrs. D. J. Massengale and Mrs. Eldred Massengale were Tuesday afternoon visitors with Mrs. W. J. Fontaine.

Sam Hickman and family are papering and painting their home this week. sell Bailey has been very ill the past

The infant son of Mr. and Mrs. Russell Bailey has been very ill the past week with pneumonia. Friends and neighbors have been helping care for it. We are glad to report the boy is recovering.

Mr. and Mrs. Lloyd Patterson and family spent the week end at Fairfield Texas, visiting relatives.

Those who were shoppers in Cameron Saturday from our community were: Mrs. W. T. Johnson and family, Mrs. Carlton Crook, Mr. and Mrs. Carl Black, Mary Freeman, Mr. D. Massengale, Mr. and Mrs. Eldred Massengale, Mr. and Mrs. J. P. Fontaine, Mrs. Archie McLerran and Sam Harrell.

Mr. Elliott Burnett has returned from San Antonio where he has been working.

Miss Bill Fontaine spent the week end in Waco.

Mrs. Harrell of Cameron spent the week end with her sister, Mrs. J. A. Bailey.

Commodore Anderson returned Wednesday from Houston where he has been attending to business.

We are glad to report that Mrs. W. J. Fontaine is able to be up again.

Mrs. Smitherman and children were callers on Mrs. W. J. Fontaine Saturday afternoon.

Mrs. W. T. Johnson and daughters were visitors in Branchville Friday night.

Mr. and Mrs. Charlie Bailey of Baileyville spent Sunday with Mrs. J. A. Bailey and family.

Mr. and Mrs. Alfred Wall and daughter Betty Lou spent Sunday with Mr. and Mrs. G. N. Smith.

Mr. and Mrs. P. H. Love and daughters and Miss Roxie Allday attended the funeral of Mrs. Will Sloan at Rogers Tuesday afternoon.

**Ouch! Rub Backache, Stiffness, Lumbago**

Rub Pain from back with small trial bottle of old "St. Jacobs Oil."

Back hurt you? Can't straighten up without feeling sudden pains, sharp aches and twinges? Now listen! That's lumbago, sciatica or maybe from a strain, and you'll get relief the moment you rub your back with soothing, penetrating "St. Jacobs Oil." Nothing else takes out soreness, lameness and stiffness so quickly. You simply rub it on your back and out comes the pain. It is harmless and doesn't burn the skin.

Limber up! Don't suffer! Get a small trial bottle of old, honest "St. Jacobs Oil" from any drug store, and after using it just once, you'll forget that you ever had backache, lumbago or sciatica, because your back will never hurt or cause any more misery. It never disappoints and has been recommended for 60 years.

**SHOULD PROHIBITION BE THE ISSUE**

The recent meeting held in Dallas by the constitutional democrats afforded me great pleasure. I was on the state committee which directed and managed the prohibition campaign in Texas in 1887 and have been in favor of prohibition since long before that date. For very many years it was not popular in Texas to publicly favor prohibition. Practically every man who was an influential antiprohibitionist during the period when the real battle for prohibition was being fought.

The pleasure which I received from that meeting arose out of the fact that it demonstrated that so many antiprohibitionists have changed their position and concluded that the very salvation of the Republic depends on the eighteenth amendment to the Federal Constitution.

There was no other reason why that meeting afforded me any pleasure, because it is a matter for very deep regret that at this time any Democrat or anyone who claims to be a Democrat should attend any meeting with a fixed determination that under any circumstances he or she would bolt the party nomination, or would favor a course which will give the Republicans comfort.

While I prefer to see either Senator Reed or Senator Walsh nominated at Houston, if any other Democrat is nominated I shall vote for and support him, and every other person who attends a Democratic primary meeting and participates therein should vote for and support the nominee.

If one has determined in advance that he or she will not vote for and support the nominee of the Democratic convention at Houston such one should not participate or be allowed to participate in the primary, pledge or no pledge. The participation in the primary meeting is all the pledge that any Democrat who understands his or her obligation needs to compel him or her to vote for the nominees of the party.

So far as prohibition is concerned, I believe that the State and Federal laws on that subject should be strictly enforced, but there are other equally if not more important propositions. The overshadowing question in the Nation today is as to whether or not the Government from the President's office to Constable shall be controlled by grafters, thieves and crooks, and by those sordid interests which believe that money should control every department of the Federal and State Governments. The continued existence of this nation depends on the right solution of this issue. The Democratic party furnishes the only hope for its proper solution, and every Democrat who throws an obstacle in the way gives comfort to the Republican party and is aiding in the ultimate destruction of this Republic.

There are other issues in which a very large part of the country is vitally concerned. The control of the flood waters of the Mississippi River and its tributaries, the development by the Federal government and at Federal expense of the ports along the coast and throughout the South, the satisfactory solution of the questions affecting agriculture, the menace created by the constant and rapid formation of industrial combinations, the unseemingly use of money in elections, the collection of the enormous debts due this nation by foreign countries, are some of the issues in which every Democrat should be vitally concerned.

The Democrats of Texas should be and are in favor of the enforcement of all laws.

I am in favor of electing an unimpaired delegation to represent the Democracy of Texas in the Houston convention who will insist on a platform which will declare first for the elimination of a deradication from the public service of every grafter and thief and for the establishment of a Federal Government administered by honest capable Democrats. This involves the enforcement of all constitutional provisions and all statutes.

I am opposed to allowing any man or woman to be sent as a delegate who does not intend to support and vote for the nominee and who will not unequivocally so declare in advance that he or she will vote for and support the nominee.

T. N. JONES.  
Tyler, Texas.

**Colds Ended overnight**

There's a way to end colds so quick and efficient that we paid \$1,000,000 for it. That way is HILL'S. It stops colds in 24 hours, checks fever, opens the bowels, then tones the entire system. Millions employ it because it brings such prompt, complete results. Go try it now.

HILL'S Cough-Remedy-Quinine

**Household Notes**

"Sugar is sweet, and so are you," sang the old fashioned valentine. But instead of being addressed to one's fair one, the words might have been meant for canned Hawaiian pineapple. Everyone who has eaten this delicacy has remarked on its full, rich flavor, so different from the fresh fruit bought in this country. There is a reason for this difference. Pineapples, if picked green and stored, will assume a yellow color which makes them appear ripe, but this color is not accompanied by the formation of sugar, as it is in the naturally ripened fruit. The United States Department of Agriculture found, in a series of tests, that the average sugar content of the artificially ripened pineapple was 3.66 per cent while that of the fruit ripened in the field was 12.6 per cent, over three times as much. As all Hawaiian canned pineapple ripens in the field, the sugar content is always high and its flavor rich.

With the first hot days of spring there is often a call for cooling foods which will have a real food value. Here is a delicious one, made with Hawaiian pineapple: blanch one-third cup almonds, shred them and brown gently in two tablespoons butter. Drain two cups crushed pineapple and add to the nuts, browning slightly. Cool and add twelve pickles chopped fine. Work in one-fourth cup cream cheese until a soft paste is formed. Season an spread between slices of bread.

For that party which is to be different from all others, try this Chinese recipe which comes from the Pacific coast: cook one cup drained, crushed pineapple for a few minutes in four tablespoons butter. Add six tablespoons flour and blend. Add one and one-half cups chicken stock and season to taste. Stir until thick, then add three cups diced white chicken. When hot pour on toast and garnish with chopped salted almonds. Serve hot.

**Stockmen Interested In Candidacy Of Louis J. Wardlaw**

Ft. Worth, Texas, March 24—Stockmen of Texas are particularly interested in the candidacy of Louis J. Wardlaw, Fort Worth attorney and West Texas rancher, in his race for Governor, he reports after having talked with hundreds during the past two weeks.

"I have just returned from Amarillo where I attended the Cattleman's Convention," Wardlaw declared. "I find that cattlemen attending the convention, while unusually prosperous now are very much interested in economy of government and subsequent tax reduction."

"That was also true of those who visited Fort Worth last week for the Southwestern Exposition and Fat Stock Show. Every man I met whether he raised cattle, sheep or hogs seemed to be interested in my candidacy, because in my platform I had made the promise that I would do everything in my power to lower the costs of our state government."

"I also found considerable interest in my suggestion of offering rewards for predatory people as well as predatory animals. Substantial citizens today want the law enforced and adhered to."

**FEW FOLKS HAVE GRAY HAIR NOW**

Druggist Says Ladies Are Using Recipe of Sage Tea and Sulphur

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe.

Nowadays we get this famous mixture improved by the addition of other ingredients by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Wyeth's Sage and Sulphur Compound is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and

**Court Proceedings**

On Friday night the jury in the State of the State of Texas versus Primo Flores, under indictment for the killing of Ben Garcia, in the Yarrington community, last August, returned a verdict of guilty and fixed the punishment at five years in the penitentiary, but they recommended the suspension of the sentence. The trial required three days. The parties to the homicide were Mexicans.

The case against Kelley Harris, for killing Ernest Ford, both colored at Buckholts in January went to trial Tuesday. The State is represented by A. J. Lewis and the defendant by Roy Baskin.

The court of criminal Appeals sent to the clerk of the district court its mandate affirming the case of the State against J. A. Claxton for killing Otto Junek near North Elm on July 23, 1924. The jury assessed the punishment of the defendant at ninety-nine years in the penitentiary. Mr. Claxton is also under indictment for the murder of J. M. McAlpine and assault to murder Mrs. J. M. McAlpine at the time of the killing of Otto Junek and these cases are now on the docket for trial. The State and defendant had and now have able and zealous attorneys representing their respective sides in the trial and appellate courts. The appellate court was divided on the question whether the homicides were murder or manslaughter. The defendant on each trial pleaded guilty to manslaughter but not to murder and that was the contested issue in the trial and appellate courts.

One almost new Chevrolet truck, one Ford truck and one gravel dump bed. Any or all for sale at sensational bargains.

**"KING or COMMONER?"**

ECONOMIC SIGNIFICANCE OF THE AMERICAN COTTON INDUSTRY—From latest volume in Manhattan Library of Popular Economics, republished in serial form through courtesy of Bank of the Manhattan Company, New York.

No.  
9

## ARTICLE NINE

**MEN AND MACHINES**

WHEN cotton has been picked, ginned and compressed into the standard bales of commerce, it is ready for another stage of its career. Formerly, these bales poured in two streams—northward into the textile mills of New England, or else by ships to those of England and the European continent. Now, however, in addition to these, a large percentage makes but a short journey, reaching Southern mills where it undergoes the processes of manufacture.

In this manufacturing phase, everything is on a scale of impressive vastness, in which a mill of only two or three hundred feet in length would be accounted small; some are more than half a mile.

It is a world of whirring, clicking machinery—of machinery dominant, intent, tireless. Machines in long rows seize upon the cotton as it comes from the bales and with swift precision transform it into yarns and fabrics. The masses of delicate fibre are separated, drawn, twisted and woven. Pickers, carders, lappers, slubbers, winders, beamers, slashers, drawers-in, and other ingenious contrivances play their several parts upon the evolving yarn and then the intricate looms fashion it into some of the many kinds of textiles required by the markets of the world.

Some of these products are heavy enough to withstand the gales of ocean, others are as dainty as a rainbow, but all are the joint product of the soil and the machines under the guidance of human skill.

There is, however, this difference in the two great stages—the agricultural stage depends chiefly upon the body of man, the mechanical upon his mind. That is why the efforts of five or six million laborers in the cotton fields produce raw cotton to the value of only one and one-half billion dollars a year, while a tenth of that number working in the mills, backed by the amazing productivity of the machines, add approximately a billion dollars to the value of that fraction of this crop (less than half) which reaches the American mills.

However, even a half million operatives constitute an army in themselves and their wages form the living of several times that number of American citizens, while to them must be added the hundreds of thousands who "convert," dye, print, sew or otherwise change or apply the fabrics.

Manufacturers, such as those of automobiles, tires, shoes, furniture, etc., consume nearly a third of all that comes from the mills. To the dress manufacturing trade, known as the "cutters-up," goes another 26 per cent, while the sale of prints, gingham, dress and household goods in the stores amounts to some 36 per cent of the whole.

Only about 6 per cent of the textile product is exported, which is not astonishing in view of the fact that more than one-half of

America's raw cotton goes abroad in the form of bales to supply the millions of spindles and looms of the rest of the world.

Still another army is engaged in the great and complicated process of distributing cotton goods. This consists of the commission men, brokers, and wholesale and retail merchants. These men are specialists in their fields. They study varieties and values; they study also the needs and the tastes of the market.

All of these manufacturing and distributing armies are dependent upon each other and all of them depend upon the cotton growers of the South. Their operations added together become cooperation, yet, for the most part, this is not voluntary, is hardly even conscious. Interdependence does not become true cooperation without volition. True cooperation—the voluntary, purposeful kind, makes possible efficiency and mutuality of benefit, but what shall be said of this phase in a gigantic industry in which until very recent times, the "converter"

has admitted to little knowledge of the problems of the weaver, and vice versa, and neither has regarded the condition of the grower except as something remote and impersonal? Associations of sub-divisions of the industry have even existed for the protection of members against other sub-divisions in the same section or of similar sub-divisions in other sections.

If progress, great and impressive, has been made under conditions of such lack of harmony, what may not the American cotton industry hope to accomplish through each of its parts becoming conscious of the whole and friction and waste motion giving way to the smoothly-working efficiency of millions operating under a new and inspiring sense of unity?

Such a new era now seems to be fore-shadowed although its accomplishment may be a matter of considerable time.

(Next Article, "AN IMPORTANT STEP.")

**Dramatic Club Will Present Play Here In Near Future**

Cameron Dramatic Club just organized here will present soon a mystery drama in four acts entitled the "Ghost Bird." Managers ask the people to watch for further announcements regarding the date.

The following synopsis of the play with the characters will be of interest to the public.

A life and death contest of wits between a super crook and a master mind of the police detective force. The super crook known by the sinister title of the culture is the first to score in the contest. His arch enemy is mysteriously murdered. The crime is committed in an isolated farm house, where the murdered man has been invited by a would be friend as chief of a party of a party of guests. Naturally everyone in the house falls under suspicion, especially as practically all have good reasons to hate the murdered man. Although the unraveling of the murder mystery is presumably in the hands of a police detective he receives copious suggestions from a comical hick correspondence school detective, who specializes in finger prints and is just brimming over with bright ideas. Though these suggestions are received with scorn some of them prove to be valuable and in the end it is the amateur fingerprinter who digs up the clew that leads to the capture of the murderer and who prevents his escape. Thrills and laughter are mingled with wits created by the funny sleuth. The cast includes:

Andulisia Anderson, Mary Ellen Manning.

Tobias Tolliver, Henry Michalka.  
Mrs. Rore, Miss Martha Schigut.  
Catherine Belmont, Miss Mary Ann Werner.

Jenkins, Willie Turner.  
Celeste, Miss Mary Matula.  
Brad Buckhart, Jack Harden.  
Philip Graham, Will Richter.  
Carl Thomas, Edwin Manning.  
Will Belmont, Vince Matula.  
Bella Walker, Miss Theresa Matula.  
Annie Bloom, Miss Francis Hebnor.

**B. Y. P. U.**

The members of the Intermediate B. Y. P. U. enjoyed a party at the annex of the Baptist church Thursday night. Mrs. W. B. Skelton is leader and Mrs. Roy Law is sponsor and under their leadership many interesting games were enjoyed. At the close of the hours of fun the young people were served sandwiches, pickles, cake and tea.

**VETERAN UNDER FORREST IS BURIED AT MILANO**

BOYD TAYLOR 88, SERVED WITH "WIZARD OF SADDLE" IN THE SIXTIES

Boyd Taylor died at his home near Milano Sunday evening at the ripe old age of 88 years and 19 days. He was born in Alabama but came to Texas more than 60 years ago and for more than half century has resided near the place of his death. He is survived by his wife and five children. The deceased was a valiant Confederate soldier and enjoyed the esteem and respect of a large acquaintance. He was a member of the Christian church and a charter member of the Milano Masonic lodge. The Rev. Polk C. Webb of Austin in a very appropriate and effective manner conducted the funeral services at the Milano Methodist church. At the close of the services the Masons took charge of the casket and accompanied it to the Milano cemetery and there deposited his remains with the usual solemn and impressive ceremonies of that ancient and honorable order. John Watson, at the request of the Milano Lodge, conducted the services. Pall bearers were J. O. Newton, W. O. Newton, Judge Jeff T. Kemp, Lon Peoples, Henry Darden and Tom Williams. Another brave and gallant soldier, who in the early sixties, "trode the road to dusty death as to a festival," has passed to his final and eternal reward.

Mr. Taylor was 88 years old and had been very active all of his life. He made regular trips to Milano on horseback within a month of his death.

He was a confederate soldier and was very proud of his record. He served under the "Wizard of the Saddle" General Bedford Forrest. He is survived by a widow, three sons and two daughters and also a number of grandchildren.

**Presbyterian Auxiliary**

The ladies of the Presbyterian Auxiliary met Monday for business. Mrs. Atkinson, retiring president, presiding. Reports from all committees were read on the year's work. New officers for the new year are as follows: President, Mrs. John Green. Vice President, Mrs. Henry Sapp; Secretary, Mrs. John Muse; Treasurer, Mrs. Frank Lesovsky; Secretary of Literature, Mrs. J. L. Barmore; Home Missions, Mrs. A. F. Mitchell; For-

eign Missions, Mr. Judd Davis; Social Service, Mrs. George Mode; Secretary of Spiritual Life, Mrs. Ben Atkinson; Secretary of Young People's Work, Mrs. W. G. Gillis; Ministerial Relief, Mrs. C. W. Lawrence; S. P. & C. Home Missions, Mrs. Lou Meyers; Chairmen of circles, Mrs. James Watson, Mrs. Dan Tyson, Mrs. Hayden Lawrence and Mrs. N. H. Butts.
